INTERNSHIP CERTIFICATE

This is to certify that **RAMESH**, a student of **KOSHYS INSTITUTE OF MANAGEMENT STUDIES**, has successfully completed an internship at **L Y D Technologies** from 08-02-2025 to 06-04-2025 in the domain of Algorithmic Trading.

During this period **RAMESH** worked on developing, testing, and implementing automated trading strategies for equities and futures. The internship involved:

Designing and coding algorithmic trading strategies.

Implementing technical indicators such as SMA, EMA, RSI, MACD, and Stochastic Oscillator.

Backtesting strategies using historical market data.

Predicting market trends using machine learning models (LSTM, Regression Analysis, and Sentiment Analysis).

Integrating trading strategies with Fyers API for real-time execution.

Optimizing risk management techniques to improve trading performance.

Throughout the internship, **RAMESH** demonstrated excellent analytical skills, a strong understanding of financial markets, and proficiency in programming languages such as Python. Their contributions significantly enhanced our research and development in algorithmic trading.

We wish **RAMESH** all the best for their future endeavors.
